

SELF-EMPLOYED?

Get a mortgage for your home buying goals.

Self-Employed Assist

If you're self-employed, we have a new solution when you're looking for a mortgage! Self-Employed Assist counts your income based on cash flow, giving you more certainty and support to qualify for more.

More Advantages

- Use personal, business or profit and loss statements to qualify based on the deposits your business receives.
- You can unlock higher limits and get approved by highlighting your income in the best way possible.
- Get added certainty knowing that we're delivering flexible solutions for your financial goals.

Talk to us today and find out if Self-Employed Assist is right for you!

Equal Housing Lender

To qualify for this product, self-employed borrowers must provide up to 24 months of consecutive bank statements or CPA profit and loss for their business, in addition to proof of ownership percentage and business documentation, which require the following: a business license, letter from tax preparer, Secretary of State filing and proof of ownership percentage (your mortgage expert will explain what documents are required for ownership percentage proof). Client must provide business purpose, goods or services, number of employees, location and business existence verification. Offer valid from December 16, 2022. Offer not valid on Texas 50(a)6 loans. Rocket Mortgage reserves the right to make any final lending decisions based on these factors or others. Additional conditions/restrictions may apply. This is not a commitment to lend. This product is not eligible for the Fast 15 promotion.
